### DELETE THIS LAYER!

You must delete this layer or it may be printed in your finished product. We will not be responsible for reprinting your job if this layer is included in your file or if your file is not set up with the proper bleeds/safe zones.

This entire white area is used for the placement of the required window envelope address elements. We do not recommend you build this white area into your artwork design. It will automatically overlay on top of your artwork for final print production.
